

## **Privacy policy**

Datos Group (hereinafter referred to as the "Company") deems of vital importance to protect and safeguard the private and personal information of the users of the website <https://2in1solutions.com/abordove> (hereinafter referred to as the "Site"), so the following Privacy Policy has been set forth (hereinafter referred to as the "Privacy Policy") applicable to the Site which purpose is to inform and detail users and all individual entering the Site (hereinafter generically referred to as the "Users") the treatment and protection given to the personal information they may voluntarily provide to the Company (hereinafter referred to as the "Personal Information").

### **Personal Information**

Users' information shall be deemed personal, so the Company shall take all commercially reasonable care to protect their confidentiality, integrity and safety, as well as preventing unauthorized access or misuse.

### **Applicability**

Provision of personal information and/or content of any kind (including, but not limited to, Users' information, images, sounds, audiovisual content, or information or text in any format whatsoever) by the Users shall be completely voluntary, except for the cases in which the provision of such personal information and/or content is expressly established to be mandatory to access a certain service or content, such personal information shall solely be the name, ID number, occupation, date of birth, and domicile of the user.

### **Authorization**

By means of the sole upload of information or content, the Users undertake and authorize the Company to use the personal information or content provided, as it may be deemed appropriate, for the purposes herein set forth. Furthermore, the foregoing implies the acceptance of all the terms hereof as well as any amendment that may be made hereto and everything established in the Terms and Conditions of the Site.

### **Preservation of Information**

The Company shall preserve the personal information and the content provided by the Users with the sole purpose of improving the services and contents included in the Site available to the Users, its administration and management. The use that the Company shall give to the personal information is exclusively internal and for the purposes set forth in the Site and, for such reason, the personal information shall not be assigned or transferred to third parties under any title or by any means.

### **Users' rights**

Users shall be entitled to execute their right to information, access, rectification, update and elimination by means of a notice addressed to the Company requesting such information, rectification, update or elimination of the personal information of the Users informing their interest to do so, as long as it does not damage any third party or there is no legal duty to refrain from satisfying such request.

### **Amendments**

The Company reserves the right to make any amendment from time to time to this Privacy Policy, thus the Users are requested to regularly review this Policy to be aware of any eventual amendment hereto.
